

*Dear Coach Jones,*

*As a member of the West Side Alliance soccer club and a freshman varsity starter at Broken Arrow High School, I am beginning my search for a college soccer program where I can make an immediate impact, as well as further develop my skills and strength.*

*My academic goal is to pursue a degree in medicine and I am impressed by the pre-med program that offered at Hiram College. I also like the small class sizes and professor-to-student ratio. I currently attend a large high school and am looking forward to a more personalized college education.*

*I know the process is early, but I'm hoping to be considered for your program. Would you be so kind as to send me information about Hiram and a questionnaire?*

*Enclosed is my profile. I hope you find that my credentials will be an asset to your team.*

*Also, I will be at the Sam Shannon Showcase in Tulsa, OK on Nov. 19-21 and at the Lonestar Showcase in Austin, TX on Feb. 12-13. Hopefully you will be able to see me play. In the meantime, please let me know if you have any questions.*

*I look forward to continuing the recruitment process with Hiram College.*

*Sincerely,*

*Jane Student*
