THE WSA STORY

Share this or a similar story, with prospective donors.

WSA Soccer is raising money during the World Cup '22. World Cup '22 has revealed the need to give and to serve is real and significant. Our club has chosen two charities to support, in addition to funds being raised helping my team, and my club Monies raised for my club will be dedicated to the club's Legacy Fund, which is purposed to support a Need-Based Financial Assistance program for many players who need assistance towards the expenses related to participating. Your donation is appreciated. Thank you for giving consideration to supporting our efforts.

PROCEEDS & REVENUE SHARING

- CHARITY 1:** \$5,000 (assuming fundraising goal is met)
- CHARITY 2:** \$2,500 (assuming fundraising goal is met)
- WINNERS:** \$5,000+ Total Cash Prizes (see fine print)

The Fine Print: This fundraiser is intended to help youth soccer players fund field maintenance, equipment, training, games, etc.... The goal of the fundraiser is to continue to expand WSA Soccer's generous "outreach" efforts which were audited to include over \$400,000 of waived fees for "need-based" requests on an annual basis the past 3 years. Monies will be deposited into the club's Legacy Account.

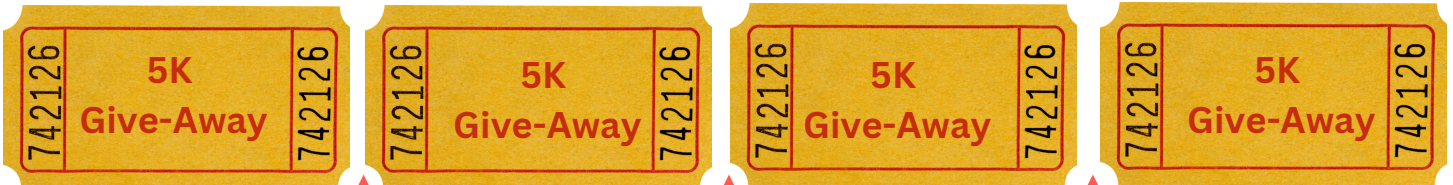

WSA Soccer is also donating some of the proceeds to 2 qualifying non-profit Charity, that the players of the club will choose. The WSA Boys Player Leadership Council, and the WSA Girls Player Leadership Council, will select a charity. If the club meets the fundraising goal of each player achieving 5 donations of \$10, then the club will donate \$5K to the charity of higher seller, boys or girls program. It is a "girls vs boys" competition! The other charity will receive \$2.5K. The club will donate to both charities if the club does not reach it's goal in a manner proportionate to the funds raised, with the winning seller, boys or girls, donating 2X as much to that charity. Thank you for participating and supporting our children! The rules are simple: Each \$10 donation toward our organization renders one paper ticket in the drawing for you. WSA may award "early winners" throughout the process and prior to the actual drawing date. Those winners will have their ticket returned to the actual Grand Prize Drawing. There is a processing fee of .15 cents per \$10 donation. There are options to donate at higher rates and receive "bonus tickets". You do NOT have to be present to win. Winners will be notified by WSA Facebook and also by the contact information provided on this form. The prizes will be the lesser of either 25% of the total ticket sale revenue, or \$5,000 total value of cash and prizes. The past 3 years, 2016-2019, over \$5,000 of prizes were given away each year, including \$5,000 cash. In 2020 & 2021 the 5K GiveAway Event was canceled due to COVID. Thank you again!
