Dear WSA Family:

Beginning in 2010 the leadership of the WSA Soccer Club has begun an effort to control and monitor the club's daily and monthly financial operations more closely. Through this effort I **have been alerted that your payment for this month is currently "late"**.

I wanted to remind you that payments are **due to your team on or by the 1<sup>st</sup> of each month**, and are **considered "late" after the 5<sup>th</sup> of each month**. The timeliness of your payment is critical to our cashflow, our budget, and thus our programming and operations. The WSA program includes approximately 500 families, and if 50% of our membership is "late" on payment we operate in a cashflow deficit, which adversely affects our ability to pay the coaches for their time dedicated to your children and our ability to tend to the monthly operational expenses of the club.

We appreciate your attention to this matter, and your effort to remit payment to your team manager in the future in a timely manner.

**TO PAY IMMEDIATELY YOU CAN ACCESS OUR ONLINE PAYMENT PLATFORM'S "3-Step & Click" PROCESS AT [WWW.WSASOCCER.ORG](http://WWW.WSASOCCER.ORG)..** Go to "ABOUT WSA" then to "FEES & EXPLANATION" then to "PAY CLUB DUES." Please put your team name in the COMPANY LINE and please follow with an email to your team manager to insure your account is credited.

If for some reason there are extenuating circumstances and you need our assistance in developing a structured payment plan please bring this to our attention within the next ten days. Our leadership is committed to assisting our membership in any way possible.

**You can reach the following club leaders for assistance:**

**WSA President, Mr Ken Lovelee** at [lovelee385@aol.com](mailto:lovelee385@aol.com)  
**WSA VP of operations, Mr Curt McGinis** at [cmcginis@yahoo.com](mailto:cmcginis@yahoo.com)  
**WSA Finance Overseer Mr Chris Foster** at [cfoster@DELOITTE.com](mailto:cfoster@DELOITTE.com)

Please note that if your account remains "past due" through 30 days that it will be deemed delinquent and the WSA Board of Directors and Finance Committee will contact you again requesting resolution.

Please let me know if you have any questions. I can be reached at [RogerWSA@aol.com](mailto:RogerWSA@aol.com) or by cell at 918 629 4476 or any of our board members can be reached via the WSA website at [www.wsasoccer.org](http://www.wsasoccer.org).

I appreciate in advance your attention and your assistance regarding this matter.

Sincerely,

*Roger Bush*
